

DESIGN PROJECT SITE UPDATE

Last Updated: November 3, 2010

Project Name: Cabrillo Boulevard Bridge Replacement

Contact Information:

City Project Manager: Frank Cunningham, PE

Phone: (805) 564-5395

E-mail: FCunningham@SantaBarbaraCA.gov

Project Description:

The Project proposes to remove and replace the existing structurally deficient bridge with a wider and longer bridge to facilitate desired creek improvements. The Project will include improvements to traffic and pedestrian safety, landscaping, and creek stormwater capacity, while also improving habitat areas for Steelhead Trout and Tidewater Gobies.

Project Progress:

The Bridge Replacement plans and specifications are completed. The City is currently in Right-of-Way negotiations with adjacent property owners for temporary construction easements (TCE's) and permanent street easements. The Bridge Project and negotiations also include removal of some private improvements along the north bank of Mission Creek.

Current Schedule:

Complete ROW Negotiations: End of 2010

Move to Construction Phase: Late Summer 2011

Duration of Construction: 2 years

Estimated Construction Cost: \$20,500,000
